Dear Principal Rynders

I respectfully request permission to recruit students from your high school to join Civil Air Patrol, the United States Air Force auxiliary. We have three primary missions: emergency services, cadet programs, and aerospace education. Civil Air Patrol's Cadet Program is open to all U.S. citizens and permanent residents from ages 12 to 19 and is a great program for students interested in aviation, leadership, public service, or a military career path.

Civil Air Patrol does not obligate any cadet to perform military service. Through the cadet program, cadets gain leadership skills, flight experience, and opportunities to participate in emergency service missions. Civil Air Patrol is a school-first, extracurricular program that can strengthen students' college and job applications. Saunders is an ideal school for this recruitment event due to its status as a career and technical education school with the most magnets in the Yonkers Public Schools district.

With your approval, I would be honored to conduct a recruitment event at Saunders. If you have any questions about the proposed recruitment event or Civil Air Patrol itself, you may reach me at [jose@josemoranurena.tech](mailto:jose@josemoranurena.tech) or (914) 233-7373. I am available at your convenience and would be happy to discuss this opportunity further.

Sincerely

Jose Moran Urena, C/SSgt, CAP
